

# OPEN TABLE

Come as you are

#ComeAsYouAre  
@ Liverpool  
Cathedral

Open Table and Liverpool Cathedral are joining forces to host a reflective Post-Pride service in the Lady Chapel, the oldest and most beautiful part of this iconic city landmark. After a hectic weekend, come along for a quiet time of music and reflection as we honour all the messages of love and thanks, wishes and prayers which people share on 'prayer flags' at the Open Table community stall during the festival.

**Sunday 28<sup>th</sup> July 2019**

**6.30pm** (doors open 6.00pm)

**EVERYONE is welcome - bring a friend!**

Open Table is an ecumenical Christian worship community which offers a warm welcome to people who are: Lesbian, Gay, Bisexual, Transgender, Queer / Questioning, Intersex, Asexual (LGBTQIA) and all who seek an inclusive Church. Starting with just six people in Liverpool in 2008, it has grown into a thriving community which meets twice a month at St Bride's Liverpool, and has multiplied across England and Wales.
